## 8. Correspondence

## 9. Old Business

- Grade 12 past Webster student bursary

## 10. New Business

- Volleyballs/basketballs for Webster

Volleyballs already purchased by school. Cost ~\$370. Motioned to reimburse the school \$370.

**Moved:** Tamerra **Seconded:** Leanne **Motion carried.**

Basketballs still need to be purchased. Motion to reimburse the school up to \$400.

**Moved:** Leanne **Seconded:** Tamerra **Motion carried.**

Shelly will purchase basketballs and we will reimburse with cheque up to \$400.

- Strategic planning meeting takeaways- Mark
- When is our Smokies in the School night? Shelly will reach out to the Smokies, as RSS already has their date

- How do we draw - do they enter, or do we just draw from the entire student population? 1 primary & 1 intermediate

Something along the lines of the fire chief forms. So we are only drawing from students whose parents will actually want to go to the game.

Tamerra will reach out to VH about rally towels or thundersticks.

- Do Gr 7's need Growing Smiles fundraiser? Does it have a purpose, or just general fundraising efforts. **Likely Pines or another experience in the spring**

Will be attending pines in the spring. Cost ~\$3000. So that should be the fundraising goal

- Contest for PAC shirt design, email out to parents and teachers, add to newsletter.

Leanne suggested trialing the contest with the grade 7 grad shirts instead. If it's well received we could do it on a larger scale with the rest of the school

Run contest from January to March

- Meeting with Christine Byrd, David Pasin, Dara Waterstreet, and others on Oct 18 to discuss our Scholarship
- Gift for Janna before she goes on leave?

Motioned to purchase \$50 from Starbucks and \$50 from C2C.

**Moved:** Tamerra **Seconded:** Leanne **Motion carried**

- Chocolate Bars left over from Dance canteen as prizes for costumes on Oct 31- what time for draw? Who can be at the school ?

Costume walk time still to be finalized. Shelly will let us know.

- Fall sports nights- Chris M wants to run more than just floor hockey. What does gym availability look like?

Perhaps soccer would be a good option for the fall while volleyball is going on.

- Playground floor- how do we help? Outdoor classroom vs playground fund (emailed SD contact on Sept 28, no response)

Intermediate playground floor is being repaired currently

- Scholastic Book fair coming Oct 21, where are we setting up? Order has been shipped from Scholastic, 29 boxes. When can we set up?

Friday October 18th Afternoon on the stage

- Parent Library- where/how?

Try posting on wes.hotlunches.net
